

## Iyaz "So Big"

Visit "[So Big](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Now I wanna do it up so big  
Party it up (so big)  
Spend it up (so big)  
So the whole world knows  
My love for you is so big  
My heart is so big  
My love is so big  
For you, for you, now for you

Now with a girl like you  
Nothing you can do  
But give the world to her 24/7  
When she lookin' so sweet  
That kind of body  
You don't mind spending all of your time, time, time  
And it's not that  
You're asking me for nothing.  
I just wanna show you  
How deep my love is.

Coz with them girls before  
I wasn't feeling so gone  
But with you girl  
I'm losing control

Now I wanna do it up so big  
Party it up (so big)  
Spend it up (so big)  
So the whole world knows  
My love for you is so big  
My heart is so big  
My love is so big  
For you, for you, now for you

Now wit' a girl like you  
I don't care who  
Passes me way  
Rihanna or Beyonce  
Could halla' at me  
It doesn't mean a thing 'cause  
Nothing compares  
To the joy you bring

Them other girls can go  
They don't make me feel so gone  
'Cause wit' you girl  
I'm losing control

Now I wanna do it up so big  
Party it up (so big)  
Spend it up (so big)  
So the whole world knows  
My love for you is so big  
My heart is so big  
My love is so big  
For you, for you, now for you

I wanna do it so big  
Coz girl we are so big  
Let's pop them bottles so big  
Like super stars so big  
We're takin' over so big  
We got that love so big  
Let's make it global  
Let's blow it up so big

Oooh,, Oooh,, Ooohh.

If this is real love  
Then I didn't know  
Before she gotcha boy  
Doing crazy things  
That I never thought I'd ever do

Now I wanna do it up so big  
Party it up (so big)  
Spend it up (so big)  
So the whole world knows  
My love for you is so big  
My heart is so big  
My love is so big  
For you, for you, now for you

My love is...  
For you, for you, for you...

My heart is...  
For you, for you, for you...

My love is...  
For you, for you, for you, so big.
