Abracadabra
Abracadabra
Abracadabra
Abracadabra
If only it was easy as abracadabra
You would be here by my side like abracadabra
To change your hearts mind like abracadabra
A spell to set you on the path to me like abracadabra
Abracadabra
Abracadabra
Abracadabra
Abracadabra
[Wait]
A common spell to make you fall in love, it goes like
abracadabra
Abara cad a bra
Abara cad a bra
Abara cad a bra
Abara cad a bra
You know the spell and I know it if we both say it like
abracadabra
Then maybe we would both fall in love together like
abracadabra
Abara cad a bra
Abara cad a bra
Abara cad a bra
Abracadabra
