[CHOURS] X3

I wanna boom bang bang with your body yo  
Were gonna rough it up before we take it slow  
Girl lemme rock you rock you like a rodeo  
(Its gonna be a bumpy ride)

[VERSE 1]

I wanna pull you over, pull you under  
Make your body surrender to mine  
Girl you can make me suffer, do whatever  
Cuz I know you're one of a kind

Tell me who can love you, nobody  
Hold you, nobody  
Make your body wind, like me  
You will never find someone like me

Who can love you, nobody  
Hold you, nobody  
Make your body wind, like me  
You will never find someone like me
