Haaated Hearts
Haaated HeartsÂ
Wonderin why you don't love me
Haaated Hearts
Wondering why I can't make you happy
I am the reason why your sad
So please don't try to push me away
What is it you want me to say

Oh hated hearts here we go
Time for another hated heart show
The way you look at me
It makes me want to cover my heart so it can't feel the
paiiin
Hated heartsÂ
Hated Hearts

Love is decieving
Hate is now concieving
Through my lonely heart
You make want to forgetÂ
All the good memoriesÂ
We shared together
Why did I fall for your loved up heart
When hate started from the very start
I should never have let myself
Get so close.

Oh hated hearts here we go
Time for another hated heart show
The way you look at me
It makes me want to cover my heart so it can't feel the
paiiin
Hated heartsÂ

It makes me want to cover my heart so it can't feel the
pains any longer

Hated Hearts
