I feel it everyday
I feel it in every way
I feel it and I know it's meant to be
I feel it when you say you love me

I feel it, I feel it
I feel it, I feel it
I know it's meant to be
I feel it when you say you love me
I feel it everyday
I feel it in every way

I feel it in my street
I feel it in my heartbeat
I feel it in my veins
I feel like I could go insane
I feel it every day
I feel it in every way

I feel it, I feel it
I feel it, I feel it
I know it's meant to be
I feel it when you say you love me

So baby don't leave me hanging
I know this is meant to be
My heartbeat is banging
I know that you can see
I feel it, I feel it
I feel it everyday

I feel it, I feel it
I feel it, I feel it
I know it's meant to be
I feel it when you say you love me
I feel it everyday
I feel it in every way

I know you feel the same
I know you know my name
Stop playing the jealousy game

My heart feels like a fiery flame
I feel it, I feel it

I feel it, I feel it
I feel it, I feel it
I know it's meant to be
I feel it when you say you love me
I feel it everyday
I feel it in every way
