You should belong to me  
It's called Jealousy  
I want you to care about me  
It's called Jealousy

Jealousy, taking over me  
Without you I can't breathe  
It hurts to say that jealousy  
Is taking over me and I can't breathe

Jealousy, jealousy, jealousy  
It's taking over me  
It is controlling me  
Jealousy

I knew this would happen  
I knew I shouldn't let it  
But I can't help it  
Jealousy is controlling me  
And there's nothing I can do about it

Jealousy, jealousy, jealousy  
It's taking over me  
It is controlling me  
Jealousy

I want you to belong to me  
It's called jealousy
