[Lyrics: Raattent/ Lyrical concept: Morkh]

Lost in the woods answers I seek  
The gateway to all, the entrance shalt rise  
Before me  
'Tween two sacred firs I step forward... to Thee  
O vigilant forest of might, beyond time Thou  
Dwellest

Roots of Thine trees binding my feet  
Branches and leaves shalt twine rings around me  
The murk of the conjur'd crowns lightenth my eyne  
Embracing the spirit of wood, I drink of Thy might

Underneath, where no sun stayeth  
On the pagan ground the forest eternal  
Where blood runth thro' all times  
The portal engrav'd in my heart

Ages hath pass'd - all is the same  
For millions of years Thou stand still calling our  
Names  
The Home of the gods who are set to rule the  
Lands

The North and the South, the West and the East  
Thou commandst

Speak to me, Master of elves  
Show me Thy marches and thorns  
Send forth Thy wolves for my blood  
Grant me to hold the wisdom  
Forlorn  
Drown me into the deepest mere  
Lead me to the grimpest gorge within Thy very  
Heart  
Let me behold Thy runic treasures  
Veil me with fogs O Woods of Thy Might

High to the stars, wide to the seas  
Forest uniting the times and the souls  
Black as the skies pierc'd by the trees

Breeding Thine magick, Thou holdst me in thrall  
Once having pass'd thro' the gates of Thy realm  
I merg'd as one with the essence of Thine  
I am the part of the forest myself  
Rustling my leaves as a Hymn to Thy  
Might
