[Lyrics: Raattent/ Lyrical concept: Morkh]

"You all are flesh that hath of my blood appear'd  
Your words to me bespoken hath the eery clash  
With light betokened"

Where all pagan paths cross  
Where all olden warriors  
Meet  
And torrents collide  
Thitherwards I turn my feet  
The Welkin's tongue - thundering swords  
The Earth's tongue - beast's shriek  
(My mother tongue)  
That I spake when Rus' was born

Immortalized for their thousandbrave rites  
Ancestors glorious rise from the sea  
Their dagger-sharp voices pronounce words of  
Thine  
Beryhm'd in legends old

Soul of Wolf and Raven  
Again as in times of  
Yore  
Soul of Wolf and Raven  
Zmei Ognennyi Wolk  
Soul of Wolf and Raven  
We call to Thee  
Soul of Wolf and Raven

The one who guideth as at war

Thousandfac'd serpent leadeth us unto war  
Beclouded stare of His bale-burning eyes  
Of all Heathen temples revealing the lore  
Beryhm'd in legends old

"The time that holdeth all times shalt out of fog  
Emerge  
The millenial dreams of false light by my  
Venom

Shalt be scorch'd"

Wolves aflame  
We shall stalk thro' sylvian monoliths  
Ravens valorous  
We shall fly o'er deepest seas  
Serpents unseen  
We shall  
Crawl into open mouths  
In the heart of hearts of the white plague

Our host - the armours by grim runes enforc'd  
The htonic horde hath for vengeance return'd  
Ire-storming hiss shalt be hear'd from inside  
Their demise shalt be my breathren and I
