Uh uh uh uh

H-O-V and MC H-O-V Young Jeezy
(Yeah)
I know y'all see how it's going down
(H-O-V and MC H-O-V Young Jeezy)
The best in the business baby
Live from the Oval Office
Let's get it

Ladies and gentleman it's Hov
Break up is imminent I know
What's the sense of putting it off til tomorrow?
Pretending it ain't gonna end, let's roll

Gotta move baby, know it's hell'a hard
You gotta find your groove baby
Like Stella naw that ain't you baby
Gotta let her do what it do baby

Shed a tear or two but don't get too crazy baby
Why are you behaving like it ain't other fish
In the fish bowl or the disco *****? Let's go

The Emancipation of M-I-M-I
I ***** semi ra ra
20 world wide n**** get your plaques
Guess who the f*** got his swagger back?

Shake 'em all uh, shake 'em all uh
G4's and all we take off uh
We flawless mister I'm the boss
El Presidente caliente

Call me the other dog so f*** *** y'all
The boy is back along with the voice is back
MC shake 'em off
(Shake you off)

By the time you got this message
It's gonna be too late

So don't bother paging me
'Cause I'll be on my way

See I grabbed all my diamonds and clothes
Just ask your momma she knows
You're gonna miss me baby
Hate to say I told you so

Well at first I didn't know
But now it's clear to me
You would cheat with all your freaks
And lie compulsively

So I packed up my Louis Vuitton
Jumped in your ride and took off
You'll never ever find a girl
Who loves you more than me

I gotta shake you off
'Cause the loving ain't the same
And you keep on playing games
Like you know I'm here to stay

I gotta shake, shake it off
Just like the Calgon commercial
I really gotta get up outta here
And go somewhere

I gotta shake it off
Gotta make that move
Find somebody who
Appreciates all the love I give

Boy I gotta shake, shake it off
Gotta do what's best for me
Baby and that means I gotta
Shake you off

I gotta shake shake, shake shake, shake it off
(Yeah, y'all ready know what it is man)
Shake shake, shake shake, shake it off
(A-towns finest, what's crackin' MC?)
Shake shake, shake shake, shake it off
(Young Hov, what's good baby?)
Shake shake, shake shake, shake it off
Let's get it

Make me imagine that
For real play girl like I'm having that
Bronze on my tip can't shake 'em off
Take 'em to the crib then I break 'em off

Mommy on my team 'cause she know that I'm a winner
Drink Cris out the bottle, eat Popeyes for dinner
Left the coupe at the crib, scooped her up in the Chevy
Got the top down and the bass beatin' heavy

See he, he spoils you, me I ignore ya
Sh-shake ya off, don't answer ya phone calls
You say I'm trippin' but me, I call it tough love
So tell your friends you in love with a straight thug

The in the out, what's happening with ya honey?
Young snowman chase nothing but some money

See I found out about a gang
Of your dirty little deeds
With this one and that one
By the pool, on the beach, in the streets
Heard y'all was

Hold up my phone's breakin' up
I'ma hang up and call the machine right back
I gotta get this off of my mind

You wasn't worth my time
So I'm leaving you behind
'Cause I need a real love in my life

Save this recording because
I'm never coming back home
Baby I'm gone

Don't cha know I gotta shake you off
'Cause the loving ain't the same
And you keep on playing games
Like you know I'm here to stay

I gotta shake, shake it off
Just like the Calgon commercial
I really gotta get up outta here
And go somewhere

I gotta shake you off
Gotta make that move
Find somebody who
Appreciates all the love I give

Boy I gotta shake, shake it off
Gotta do what's best for me
Baby and that means I gotta
Shake you off

I gotta shake shake, shake shake, shake it off
Shake shake, shake shake, shake it off
Shake shake, shake shake, shake it off
Shake shake, shake shake, shake it off

I just gotta shake you off
'Cause the loving ain't the same
And you keep on playing games
Like you know I'm here to stay

I gotta shake, shake it off
Just like the Calgon commercial
I really gotta get up outta here
And go somewhere

I gotta shake you off
Gotta make that move
Find somebody who
Appreciates all the love I give

Boy I gotta shake, shake you off
Gotta do what's best for me
Baby and that means I gotta
Shake you off
