I b-b-betcha their gonna laugh at you
and your bad attitude
cos t-t-talkin' bad behind your back is nothing new
We're gonna say it right in front of you
pretending that yer in a different room
I can't wait to dis you when your dead
I can't wait to cut you down the day they lay you down
I can't wait to dis you and poke your rotting tissue
each time we fight i sit down and write
everything i hate about u
when they lay you down
I'm gona blurt it out
i can't wait to read about ya
We're gonna say it right in front of you
while your stiff in a coffin and your lips are blue
I can't wait to dis you when your dead
I can't wait to cut you down the day they lay you down
I can't wait to dis you and poke your rotting tissue(rap)
when your lying there in your coffin
maybe then you'll finally stop talkin'
i just can't wait till the day that your buried
cos I'm gonna read your obituary
i hope your mom and dad are alive to listen
cos I've been saving up a whole lot of dissin'
I'm gonna get you all alone and skeet skeet on your
body
and get u back with a little necro - bukakke
all the crap that you tried when you were alive
i can't wait to dis you when your dead
the very second that you die
I'll be right there by your side
waiting just to dis you when your dead(bass)
I can't wait to dis u and poke your rotting tissue
du du du(bass)
du du du(bass)
I can't wait to dis u and poke your rotting tissue
