Kiss me in tha rain  
Kiss me in tha rain  
(This is ours)  
Right now  
We got a lock on tha door  
And tha music seems to scream out  
Keep out  
I love it when you do  
What I said I shouldn't do with you  
Right now we got a lot to waste  
And a beautiful love tonight  
We should be happier  
Shouldn't we?  
So kiss me like yer dying  
I can't sleep at all without you in my bed  
Your tha best song of all stuck inside my head  
Kiss me in tha rain  
Kiss me in tha rain  
(This is our time)  
You look just like an angel  
But looks can be deceiving  
I called your house  
Just to ask you out  
But you have other plans this evening  
So kiss me like your dying I can't sleep at all without  
you in my bed  
Your tha best song of all stuck inside my head  
You are tha best song to sing along to stuck inside my  
head  
So kiss me like your dying  
You are tha best song to sing along to stuck inside my  
head  
You are tha best song to sing along to stuck inside my  
head  
Kiss me in tha rain and kiss me like your dying  
Kiss me in tha rain and kiss me like your dying (this is  
our music)
