Something inside of me is telling me the answers  
it feels so good to blur the edges  
I'm coming home again and I'm alone again  
i cant stop hitting up jbigga dot com  
i bet you that this break through  
that we're going through will break you  
I've got the answer  
I've got the answer  
Ive got the answer  
and I'm not telling you even the sight of it is blurring at  
the edges i can't stand it it's so addictive  
watch as it carries me home (so far from home) watch  
as it carries me home (so far)  
i bet you that this break through  
that we're going through  
will break you  
I've got the answer  
Ive got the answer  
Ive got the answer  
and I'm not telling you  
(something inside of me is telling me the answer) (even  
the sight of it is blurring on the edges)  
i bet you that this break through  
that we're going through  
will break you I've got the answer  
Ive got the answer  
Ive got the answer  
and I'm not telling you
