When I grow up and I'm on my own

Not stuck in my parents home

(Do u know what I mean)

I'm going on tour

I'm taking my band

I'm gonna see the world

Parents just don't understand

(I know u know what I mean)

I'm gonna rock tha nation

On every radio station

You gunna know my name

When I'm gettin fabulous fame

I'm gonna get wit zillions of hoes

I'm gonna get wit zillions of sluts

Yo bang a zillion pussies,

Every god damn day

I get a zillion digits

Every god damn day

(Hella hella hella hella bitches)

Dressed up like betty page

Lip gloss poppin at the front of the stage

(Do yo like what you see)

You could come back stage

You could kick it with me

Scene kids knockin that jellemeno b

(Would u get naked with me)

I know to you it might seem impossible

But your boyfriends in the closet girl

He was winking at me

He was wearing a dress

Victoria secrets all over his chest

I'm gonna rock tha nation

On every radio station

You gunna know my name

When I'm gettin fabulous fame

I'm gonna get wit zillions of hoes

I'm gonna get wit zillions of sluts

Yo bang a zillion pussies,

Every god damn day

I get a zillion digits

Every god damn day

Yo bang a zillion pussies,

Every god damn day

And I bet a zillion bitches

Are gunna suck my ding today

(Hella hella hella hella bitches)

(Hella hella hella hella bitches)

I'm gonna get wit zillions of hoes

I'm gonna get wit zillions of sluts

(With nice butts)

I'm gonna get wit zillions of hoes

I'm gonna get wit zillions of sluts

I'm gonna get wit zillions of hoes

I'm gonna get wit zillions of sluts

I bet a zillion bitches

Are all gunna know my name

I get a zillion digits

Every god damn day

(Hella hella hella hella bitches)

(Hella hella hella hella bitches)
