Slow down, lie down, remember it's just you and me  
No sellout, about how, remeber how it used to be

(Chorus)

I just want you closer if that's alright?  
Can I have you closer tonight?  
I said bring my last request and let me hold you,  
Don't shrug your shoulders, lay down beside me,  
Though were goin no where, for one time let's go  
there, one time let's go there

(Verse 1)

Many trials and tribulations we face,  
We have overcome this strong strong lo-ove,  
Cause the love that we have is oh so strong,  
Let's get along just one more time till we bring one  
more life together

(Chorus)

I just want you closer if that's alright?  
Can I have you closer tonight?  
I said bring my last request and let me hold you,  
Don't shrug your shoulders, lay down beside me,  
Though were goin no where, for one time let's go  
there, one time let's go there  
Oohweee oohweee

(Verse 2)

I said baby let me feel you once again (lemme feel  
yeah lemme feel you)  
Let my of this satisfy uuuuuyyyyy  
I said never let go (never let go-oooo)  
When our hearts become as one ooh we'll be alright

(Chorus)

I just want you closer if that's alright?  
Can I have you closer tonight?  
I said bring my last request and let me hold you,  
Don't shrug your shoulders, lay down beside me,  
Though were goin no where, for one time let's go

there, one time let's go there

Please stay (Please say you'll stay)

We need love weeyuuuu

We need love we need love

We need love we need love

We need love we need love

(Chorus)

I just want you closer if that's alright?

Can I have you closer tonight?

I said bring my last request and let me hold you,

Don't shrug your shoulders, lay down beside me,

Though were goin no where, for one time let's go

there, one time let's go there

(Repeat chorus)
