Floyd calls me on the phone,  
And I usually don't mind if he won't leave me alone,  
But today has been a busy day if there is such a thing  
anyway,  
My cats look bored,  
They're hunting down flies on the kitchen floor,  
The neighborhood isn't my favourite place any more  
Maybe if I cut my hair,  
I can fall into a new undiscovered despair,  
I haven't got anything clean today to wear

One plus one - my cats look bored,  
Two plus two - the kitchen floor,  
Three plus three - my favourite place,  
Four plus four - not any more

I've been gone for two months,  
I'm out of touch, out of time, out of everyone,  
Now I know that a weekend in Manila is not much fun  
Now I'm back at home,  
But I can't remember when I last felt so alone,  
Misery calls every minute on the telephone

One plus one - been gone two months,  
Two plus two - I'm out of touch,  
Three plus three - my VJ's gone,  
Four plus four - not very fun

I may be home,  
But if you'd please leave your message at the sound of  
the tone,  
Excuse me for my fear of the telephone  
My house, my tomb,  
I can't even write a song about sitting in my room,  
There's no room to sit, I just wait in apprehensive  
gloom

One plus one - I may be home,  
Two plus two - the sound, the tone,  
Three plus three - excuse my fear,  
Four plus four - the telephone

One plus one - I may be home,  
Two plus two - the sound, the tone,  
Three plus three - excuse my fear,  
Four plus four, four, four

One plus one - I may be home,  
Two plus two - the sound, the tone,  
Three plus three - excuse my fear,  
Four plus four - the telephone
