i've been ridin'  
a winning horse  
for a long, long time  
sometimes i wonder  
is this the end of the line  
no man should take advantage  
of who they are  
no man has got it made  
if he thinks he does, he's wrong

every mother's son  
better hear what i'm saying  
every mother's son  
love, rise and fall one day

seen it happen so many times  
so many times before  
some man's got so much money  
he doesn't worry no more  
always got some shape pretty woman  
that'll treat him fine  
my friend has been a fools  
it happens everytime

every mother's son  
better hear what i say  
every mother's son  
love, rise and fall one day

not tryin' to preach to no one  
to no one at all  
i've seen a lot of my good friends  
just rise to fall  
'cause they got so much money  
or a woman so fine  
my friends have all been fools  
it happens every time

every mother's son  
better hear what i say  
every mother's son

love, rise and fall one day

what i say  
every mother's son  
better hear what i say  
every mother's son  
love, rise and fall one day
