things happen
and no one told me
you can't think
i won't drink it
you laughed again
then you rode me
i won't drop it
you can't stop it now

hey lady
where you goin'
hey lady
why ain't it snowing
were you riding the chair alone
hey lady
where's your friend
hey lady
blew you off again
don't worry
i'll ride you up to the top
hey lady
sorry, that's the last stop

i'll see you
i'll see you
all the way down
i'll see you
in the large flying cloud
i'll see you
i'll see you
all the way down
i'll see you
in the large flying cloud
