i feel your eyes upon me  
how should i act today  
to feel so unsure always  
give up or now keep on this way

the silence taps my elbow  
it's good, least that's what she said  
i could run but i stand and greet it  
boredom won't starve as long as i feed it

the world drips down like gravy  
the thoughts of love so hazy  
everyone's ideal of fun

repulsion

try to wake up  
try to break it open  
it's not quite the right feeling  
i'll just keep on hoping

the girls, they smile and say hello  
darkness drags me back home  
it's hard to face it  
still waiting, still alone

the world drips down like gravy  
the thoughts of love so hazy  
everyone's ideal of fun

repulsion

try to wake up  
try to break it open  
it's not quite the right feeling  
i'll just keep on hoping

the world drips down like gravy  
the thoughts of love so hazy  
everyone's ideal of fun

repulsion
