Get in line there's a message that I gotta heed this time
It's not fine I been waistin' life missing every sign
Squeeze my mind just to ring out the last drop of sense
The last time and you told me so
You told me so
It's not wrong

Where's today
Where's tomorrow been
Where's the peace I crave
Where's the life I'm in
Where's today
Why's tomorrow feel
Like a whole new love
Like a whole new deal
It's not wrong

Where'd you go I got time please take me instead
Gotta know the urgency shot right over my head
Feeling rough but I'm holding on handing you my
thoughts
Getting tough but I'm full of love
I'm full of love
And it's all part of the plan
I'm not saying that I like it or understand
But I just gave you my hand
Gotta feeling that you'll take me with you again

Where's today
Where'd tomorrow go
Did it all wash out
Is there something I should know
Where's today
Why's tomorrow feel
Like a whole new love
Like a whole new deal

And it's all part of the plan
I'm not saying that I like it or understand
I gotta be grateful I can
Cause I know that you'll take me with you again
