[Lil' Wayne]

Wha wha, wha wha, wha wha, wha wha, what

Straight off the black gold, nuts in my hand, trustin no man

Got my glock cocked, runnin this thing, ya understand  
We be steamin.. blazin.. nines, pumps, and K's, and  
Holly Grove 17th, (what) tha hood where I (what) was  
raised in (what)

Niggaz bustin heads and, runnin duckin Feds and  
rocks under they tongues and, ki's under they beds  
and

Hood fulla real niggaz, twenty-four seven hustlers  
EHHH, until we shove a barrel down ya pipe suckers  
Ain't no love for no busta, no fear for no coward  
No respect from no stunt, and no money without power  
We keepin niggaz hotter, EWWWW nasty and sour  
Pile up in the Eddie Bauer and BLAKA at every hour  
Some niggaz like that powder, foldin up what they  
drain

Some like that weed or that dope and some shoot it up  
in they veins (oh)

From the home of that 'caine, jackin and crackin brains  
Broadcastin live from Tha Block it's Lil' Wayne (who it  
is?)

Chorus: B.G. and Juvenile, Lil' Wayne

Juve: Nigga you got that llello?

B.G.: Well cook something nigga

Juve: Nigga you let them K's go?

[Lil' Wayne]

See where I'm from we keep our guns out  
Dodgin cops and burnin blocks, so we be thugged out  
It's time to floss, bring the big bodies on dubs out  
And they got quarters, halves, and birds in that one  
house (I got it)  
(I got it) It's all good in the hood but a lot illegal  
Soon as you get it, hot SKIRT, there go them people  
Break up the block and hit the cut by the corner sto'  
End up in Miss Taylor backyard, be quiet, she on the  
porch  
This everyday, at the spot where niggaz murder off  
top, boy  
It's the spot where they got Fire Girls and Hot, Boys  
We don't know what be goin cause we so blunted from  
trees  
and we'll be round ya all day til we "400 Degreeez"  
And you see where niggaz go, nobody be on the pulpit  
They got a nigga got on a scarf, he flippin out off that  
raw  
Betta stay in yo' car, and make sure (BEEP BEEP) your  
door is locked  
Cause this ain't nuttin proper, cause Tha Block, is  
jussst Hot

Chorus

[Lil' Wayne]

See watch your step on my set, gotta walk like, talk like  
We done shot out all the street lights  
So you can't see who we be like  
And we like, to dress in all black up in my residence  
Ain't got on no suits, cause we ain't tryin to be  
presidents  
And ever since the coke drought, niggaz been on a trip  
y'all  
So you better watch what y'all playin wit  
Cause a nigga will try to flip y'all  
They hit y'all, jam you up and put a gun to your jug  
Hahhhh, catch your breath, now shhhhh, catch a slug  
It's street smarts, plenty niggaz that keep spots  
When the heat starts, ain't nobody got sweethearts  
Callin weak shots, you could come try to cheap talk  
We cut your week short, them lil' boys don't give a  
damn  
Go all out for that cake, won't hesitate to kill a man  
Run in his house and kidnap the nigga, him and his  
fam  
Tie em up put em in the vans, then put a gat in his jaws  
... tch, one move blow his cactuses off

Chorus
