Ayyo girl, this is the world mean of thug r&b  
It's rise high, let's go

Lately baby I been thinkin something crazy  
(We can get out of tha ghetto)  
If you wonderin why bills are high  
But only seems to multiply  
(e can get out of tha ghetto)  
And what we can do and we wanna do  
Is somethin we need completely fast too  
(We can get out of tha ghetto)  
Timeless strange, time for time to change  
What these sickin things been the same  
(We can get out of tha ghetto)

1- Gonna struggle, work hard and hustle  
Gonna stay focus, trust me  
I trust you, or will say goodbye  
Far well, do I trouble  
And basically  
We gon get out of tha ghetto

Last night I vale to you  
To change my life and change yours too  
(We can get out of tha ghetto)  
And tho tha distance looks hard to go  
Until we try he will not know  
(We can get out of tha ghetto)

And all pains sufferin is cover you high  
I wanna show you a brighter side  
(We can get out of tha ghetto)  
We'll be successful will be free  
We can do with just wait and see  
(We can get out of tha ghetto)  
So come on girl
