Where Are You?

(J-Roman talking)
I know you're out there, baby
Somewhere

There's someone out there for me (I know there's
somebody out there)
I know she's waiting so patiently
Can you tell me her name? (Somebody tell me her
name)
This life long search has come drive me insane (That's
right)
How does she laugh?
How does she cry?
What's the color of her eyes?
Does she even realize I'm here?

Where is she?
Where is she?
Where is she?
Where is this beautiful girl?
Who is she?
Who is she?
Who's gonna complete me world?
Where is she?
Where is she?
Where is this beautiful girl?
Who is she?
Who is she?
Who's gonna complete my world?
La da da da da
La da da da
La da da da
Where are you?

(Soluna)
I'm staring out at the sky (I see you baby)
Praying that he will walk in my life
Where is the man of my dreams? (I'm right here) Yea-
ea
I'll wait forever, how ?serious? it seems

How does he look?
How does he cry?
What's the color of his eyes?
Does he even realize I'm here?
Where is he?
Where is he?
Where is he?
Where is this beautiful guy?
Who is he?
Who is he?
Who's gonna take me so high?
Where is he?
Where is he?
Where is this beautiful guy?
Who is he?

Who is he?
Who's gonna take me so high?
La da da da da
La da da da
La da da da

I'm gonna look all over the world baby
Cause I know you're out there
And I know I might sound crazy
But, I think I love you
