you mixed me up for someone
who'd fall apart without you
yeah you broke my heart for the first time
but i'll get over that too
it's hard to find the reasons
who can see the rhyme?
i guess that we were seasons out of time
i guess you didn't know me

chorus:

if you think love is blind
that i wouldn't see the flaws
between the lines
suprised that i caught you out
on every single time that you
lied
did you think that every time i
see you i would cry?
no not me not i

the story goes on without you
and there's got to be another ending
but yeah you broke my heart
it won't be the last time
but i'll get over them too
as a new door opens we close
the ones behind
and if you search your soul i
know you'll find
you never really new me

chorus

all you said to me
all you promised me
all the mystery neverdid belived
no i never cry no i never
not ne not i
