J Wess:

Yeah I know what I wanna say  
Here we go  
Yeah  
Romy rome I think we did it again  
Kulaia

Kulaia:

Its just me and you boy

J Wess:

Once you get your rollerskates on  
You got five seconds to get to the dancefloor  
Get your skate on  
Let s go

I, IÂ'll be your fantasy  
Give you all of my love for the rest of my life  
I, IÂ'll be your fantasy  
Give you all of my love for the rest of my life

Kulaia:

Baby baby  
I kept aside this time for you  
ItÂ's just me and you boy  
Sugar sugar  
Just tell me what chu wanna do  
IÂ'm in the mood  
Now I got to know you boy  
When we playinÂ' with my toy  
Oh yeah  
Getting down on it baby  
ItÂ's the only thing to do  
YouÂ're the one that I want and I see now that

I, IÂ'll be your fantasy  
Give you all of my love for the rest of my life  
I, IÂ'll be your fantasy  
Give you all of my love for the rest of my life

DonÂ't be shy  
LetÂ's not rush

We'll take it slow  
We got all night long boy  
Honey honey  
Let's not talk  
We got work to do  
Let's get personal  
Set the mood with candlelight  
Put on that dress I know you like  
Oh yeah  
Time is right  
Got you in my sight  
Get ready to be satisfied  
Gonna give you all my love and

I, I'll be your fantasy  
Give you all of my love for the rest of my life  
I, I'll be your fantasy  
Give you all of my love for the rest of my life

Lolly:  
Can you handle the curves of death?  
When I rap till I ain't got no verses left  
I'm the female version of doctor nogly  
If you ain't doing something correct I'll stop you  
Be good or don't be around me  
Talent surrounds me  
Rule one don't ever doubt me  
My clout be measured in crowds and tours  
Lollipop hits cos I be the loudest broad

Kulaia:  
You were made for me  
This love was meant to be  
What you desire I'll be  
My love will set you free  
Give you what I need  
Take control of me  
What you desire I'll be  
My love will set you free

I, I'll be your fantasy  
Give you all of my love for the rest of my life  
I, I'll be your fantasy  
Give you all of my love for the rest of my life  
(repeat to fade)
