Have you eva seen sucha beautiful night now
I could almost kiss the stars
They're shining so bright
When I see you smile I go oh oh oh
I would neva wanna miss this
Cause in my heart I kno what this is

Hey now hey now
This is what dreams are made of
Hey now hey now
This is what dreams... are made of
I've got somewhere I belong
I've got somebody to love
This is what dreams are made of

Have u eva wondered what life is about
U culd search the world and neva figure it out
U don't have to sail the oceans no no no
Happyiness is no mystery
It's here and now
It's u n me (yeahh)

Hey now hey now
This is what dreams are made of
Hey now hey now
This is what dreams are made of
I've got somewhere I belong
I've got somebody to love
This is what dreams are made of

Open your eyes(this is what dreams are made of)
Shout to the sky(this is what dreams are made of)
When I see u smile I go oh oh oh
Yesterday my life was duller and now everythings
techinaler

Hey now hey now
This is what dreams are made of
Hey now hey now
This is what dreams are made of
I've got somewhere I belong
I've got somebody to love

This is what dreams, dreams, this is what dreams are
made of
Hey now
Hey hey hey hey
Hey now
Hey hey hey
This is what dreams
Hey hey hey
What dreams
Are made of now.
