[Costa Rica]

What's up baby speaker? Know what's goin on
If you're feeling me tonite then it's on
It's hard for me to stop baby when your dress is torn
With them legs in your tights [Ha ha], you flaunt, I'm
gone
Costa to the world, Papi to a certain girl
I can't stop the way these babies flirt
I'm not Diddy but I am a Bad Boy for life
Course strife when my flow just haunt the night, Tonite

{Jojo}[Costa Rica]

{Tonite}[Yeah] {Ho ooh oh, hoo} [C'mon] {Tonite}
{Ha ha hoo yeah, all night} [Woo!]

{Jojo}

Women know how hard I work on love
I gotta take a hold of what we have, yeah
We share a thing so pure I cannot get enough
It's the most precious thing I've ever had

(Bridge)

All night I'm waiting for you to call
{All night I'm waiting}
Just want a moment with tenderly touch
{Tenderly touch}
And I know our bodies will make it so
{Ooh}
Gotta show you honey how I miss you so much
[Whoo ee]

(Chorus)

Tonite
This is the night or will the pleasure of us wait it
(Night) {Yeah, this is your night, Tonite} [C'mon]
This is the night or we'll the move be celebrating
{Yeah}[Uh](Oh all night)[Uh, yeah]

This single love can drive you crazy
It's going round and round my head yeah
Then I'm in sin coz I'm addicted to your love

Boy, it's amazing the way that this feels

[Costa Rica]

Ya, oh c'mon

You wanna act like we can ain down tonite

We can know about love

We can bang on just more than a mike

We can definitely pass for the shy girl's tight

She's petite she's crazy

She's Costa's lady, she's Mami

Jo don't care about Prada,

She lace me in Vesul jeans

Sweetly in the Range full frame

And the way the body bangs

JoJo I'm insane

(Chorus)
