### VERSE 1:

They say in this world nothing lasts forever  
But I don't believe that's true  
Cause the way that I feel when we're together  
I know thats the way, I'll always feel for you

### CHORUS:

From now until forever  
That's how long I'll be true  
I'll make you this vow  
and promise you now  
until forever, i'll never stop loving you

### VERSE 2:

There'll come a day when the world stops turning  
and stars will fall from the sky  
but this feeling will last  
when the sun stops burning  
all i wanna do is love you  
til the end of time

### REPEAT CHORUS

It's gonna take more than a lifetime  
to give you all the love  
all the love i feel for you tonight

### REPEAT CHORUS

From now until forever...(until fade out)
