Baby girl, what's your name

I hope you know gum aint that cheap  
7 11 girl is open all week  
You can try winterfresh  
I prefer trident  
Just chew some fucken gum  
Cause your breath smell like \*\*\*\*

(Chorus)

Buy you some gum  
Oooo weee  
Imma bring some gum with me  
Cause yo breath stink  
Shorty whatchu think bout that  
Be in yo face like  
Be in yo face like  
Ugh ugh...  
Up in yo face like  
Ugh ugh...

(Verse 2)

Look don't talk to me cause I'm not gon' talk back  
Heres a piece of gum  
Damn, heres the whole pack  
Yo breath stink, aint no way  
Smell like you haven't brush yo teeth in days  
Take some floss, pull it out (now floss it out)  
Just like that, that what I'm talkin bout  
We coulda have fun, but first chew some fucken gum  
Cause we all know that yo breath is done

(Chorus)

(Verse 3)

Now let me take you to the dentist  
Lets discuss business  
You says you wanna chill but your breath is on a  
mission  
Certified negative 3, your breath is on E

5 sticks of gum, 4 for you and 1 for me!  
Lovin by the language I love the conversation  
Open yo mouth got a tingling sensation  
And you just ate chips now you says you in the mood  
All up in my face god damn you really rude (you really  
rude)  
Engine black cribs the crew switch gibbs whisper in my  
ear  
Here hit the chandelier  
The smell of yo breath is all in the atmosphere  
Imma let jblaq see so he can make it clear

(Chorus)
