(feat. Jadakiss)

[CHORUS:]

You're all up on me  
And you barely know me  
We can go somewhere ma  
Come on don't be scared now

When the club's out  
We can roll out  
If you want to we can get a room  
We can handle that. [x2]

[VERSE 1:]

You all upon me, Must have knew I'm feeling lonely  
I don't want a girl , I need a homey  
I'm loving the way you backing it up on me  
And when the club's out , we can roll out  
Got the seven with the clubs out, thugs with the snobs  
out  
Yeah my name Joshua Hood, Let's play the fire star  
sweet I'll be popping the good  
You can ride on top of the world, you won't stop if you  
could  
And I love green dropping the hood, Plus she always  
giving me top like she should  
Baby girl we can ride out now or get pop where you  
stood

[CHORUS:]

You're all up on me  
And you barely know me  
We can go somewhere now  
Come on don't be scared now

When the club's out  
We can roll out  
If you want to we can get a room  
We can handle that. [x2]

[VERSE 2: Jadakiss]

She barely know me

But she sees the pink diamonds up in the Roley  
Iâ€™m with my lil man H-Double-O-D  
We In the back of the club blowing the O-Z  
Baby was right outfit from monny  
Small waist phat ass far from bony  
>From ATL said her name was Monique  
And when hood bagged her friend I can tell she was on  
me  
Then she said Jada Iâ€™m kinda hungry  
Breakfast on you back shots on me  
Everything is timing with kiss  
We up out of the joint now he in the 7 Iâ€™m in the 6

No silicones already examined the tits  
So we gone get it on after the salmon and grits  
And after I hit Iâ€™m gone  
Back up town Hood check me later  
Daddy hit my phone

[CHORUS:]

You're all up on me  
And you barely know me  
We can go somewhere ma  
Come on don't be scared now

When the club's out  
We can roll out  
If you want to we can get a room  
We can handle that. [x2]

[VERSE 3:]

And we can stay right here to the nights done  
Order some bottles  
Light something up and have some fun  
Try the V.I.P. room  
Lock the door with a broom  
Got the hand size camera on  
And you cruise with the rest of my team  
And the music is loud  
So it's hard for them to hear you scream  
And you can give me brains  
Cause you smart too  
And we can break out  
And get a room for part II

You all up on me  
And barely know me  
Can't wait to get to the room  
So you can really show me  
Iâ€™m J-Hood  
My dick wave you ma

D-Block platinum plus  
But imma stay hood ma

[BRIDGE:]

Why you all up on me if  
(why you all up on me if)  
You ain't coming home with me tonight  
Why you all up on me if  
Whispering all in my ear  
You ain't coming home with me tonight

[CHORUS:]

You're all up on me  
And you barely know me  
We can go somewhere ma  
Come on don't be scared now

When the club's out  
We can roll out  
If you want to we can get a room  
We can handle that. [x2]
