J-Kwon and Soluna-Where are you?  
I know you're out there baby!  
Somewhere

There's someone out there for me  
I know she's waiting so patiently  
Can you tell me her name?  
This life long search is gon' drive me insane

How does she laugh?  
How does she cry?  
What's the color of her eyes?  
Does she even realize im here?  
Where is she?

Where is she?  
Where is she?  
Where is this beautiful girl?  
Who is she?  
Who is she?  
Whos gonna complete my world?

Where is she?  
Where is she?  
Where is the beautiful girl?  
Who is she?  
Who is she?  
Whos gonna complete my world?

I'm stain' out at the sky,  
Prayin that he will walk in my life  
Where is the man of my dreams? Ya ya  
I'll wait forever how serious it seems

How does he laugh?  
How does he cry?  
What's the color of his eyes?  
Does he even realize im here?  
Where is he?

Where is he?  
Where is he?

Where is this beautiful guy?  
Who is he?  
Who is he?  
Whos gonna take me so high?  
Where is he?  
Where is he?  
Where's this beautiful guy?  
Who is he?  
Who is he?  
Who is gonna take me so high?

There's someone out there for me  
(there's someone out there for me)  
I know she's waiting so patiently  
(so patiently)  
Can you tell me her name?  
(can you tell me his name?)  
This life long search is gon' drive me insane

How does he laugh?  
How does he cry?  
What's the color of his eyes?  
Does he even realize im here?

Where is she?

Where is she?  
Where is she?  
Where is this beautiful girl?  
Who is she?  
Who is she?  
Whos gonna complete my life?

Where is he?  
Where is he?  
Where is this beautiful guy?  
Who is he?  
Who is he?  
Who gonna take me so high?
