(No offense, I love Lavigne, it's just for fun)

You're so Fucked to me, baby, baby

I wanna fuck you up in my closet, when no one's around

I wanna fuck your hand in my pocket, because you're allowed

I wanna fuck you into the corner, and fuck you without a sound

I wanna fuck this way forever, I'll fuck it loud

Now you're in and you can't get out

You make me so fuck

Make me wanna fuck

You're so fuckulous

I can barely fuck

I can hardly fuck

You make me wanna fuck

You're so fackulous

You're so fucked to me, baby, baby

You're so fucked to me, baby, baby

I can make you fuck it better, just fuck it in

And I can show you all the posses, you've never done

And I can make you fuck everything, that you never fuck

And I will let you fuck anything, again and again

Now you're in and you can't get out

You make me so fuck

Make me wanna fuck

You're so fuckulous

I can barely fuck

I can hardly fuck

You make me wanna fuck

You're so fackulous

You're so fucked to me, baby, baby

You're so fucked to me, baby, baby

Fuck me gently

Always I fuck

Fuck me, fuck me

Don't ever go, oh oh oh...

Yeah!

You make me so fuck

Make me wanna fuck

You're so fuclulous

I can barely fuck

I can hardly fuck

You make me wanna fuck

You're so fackulous

You're so fucked to me

You make me so fuck

Make me wanna fuck

You're so fuckulous

I can barely fuck

I can hardly fuck

You make me wanna fuck

You're so fuckulous

You're so fucked to me, baby, baby

You're so fucked to me, baby, baby

You're so fucked
