My emotions are flowing up and down  
really missing you so badly now  
didn't want you when you wanted me  
now I know what goes around comes around

I'm so sorry  
cuz when I left you for him  
I was planning for it to be better  
And I'll regret it forever, and ever

I'm shaking so much now  
I know I must have been crazy  
to let you slip away from me  
didn't realize I'd miss you this bad  
God what did I do  
now I've fallen in love with you

It's too late now  
why did I leave you for him  
you were so much better  
I will regret it forever, ever and ever

I'm shaking so much now  
I know I must have been crazy  
to let you slip waya from me

didn't realize I'd miss you this bad  
God what did I do  
now I've fallen in love with you

Do I have to spend my whole life  
paying for my mistakes  
I took your love for granted  
what was wrong with me  
I want you  
I need you  
I've got to have you back again  
please give me one more chance

I'm shaking so much now  
I know I must have been crazy  
to let you slip away from me

didn't realize I'd miss you this bad  
God what did I do  
now I've fallen in love with you

shaking so much now  
must have been crazy  
let you slip away  
missing you so bad  
what did I do  
God what did I do
