You say you're havin' my baby
But I don't know if it's mine
(I don't know, I don't know)
It all started from a one night stand
It wasn't part of the plan

But now I see you got an attitude
And you're so confused
You didn't tell me 'bout your man at
home
(Oh, yeah)
So what you gonna do
(Tell me now)

Chillin' in the club on a Saturday night
Saw you across the bar, you were lookin' so fly
I can't believe that you were also looking my
way
(Yes, you were, yes, you were)
So I step to you with my game down tight
(Yes, I did)

Before we knew it was on for tonight
So now tell me what's goin' on
with you, lady, oh, yeah
So tell me what's goin' on
(Tell me)
Please don't make me wait

I know you're livin' with your
man
(Livin' with your man)
Sleepin' with you man
(Sleepin' with your man)
Creepin' with your friends
(Oh, yeah, oh, yeah)
Now you wanna blame it on me

You say you're havin' my baby
But I don't know if it's mine
It all started from a one night stand
It wasn't part of the plan

But now I see you got an attitude
And you're so confused
You didn't tell me 'bout your man at
home
So what you gonna do

Listen, now boy, you know just as well as I do
In order to go half on a baby, it takes a two
Yes it does, yes it does, yes it does
And even though I had a man at home

All we ever did was fuss and fight, things just
wasn't right
Sick and tired of being mistreated, neglected for no
reason
When love was what I needed, he didn't care,
so I cheated, yeah
So this is what's goin' on
(Oh, baby)

Baby girl, please don't play
I know you're livin' wit' your
man
Sleepin' wit' you man, huh,
creepin' wit' your friends
Now you wanna blame it on me

Say you're havin' my baby
But I don't know if it's mine
It all started from a one night stand
It wasn't part of the plan

But now I see you got an attitude
And you're so confused
You didn't tell me 'bout your man at
home
So what you gonna do

See, I know it was never meant to be, you and me
But it's so hard, so hard for me to believe
That I'm havin' your baby and
it's drivin' me crazy, yeah
Okay now, I'mma step up a be a real man

But you have to really tell me where I stand
'Cause if it is mine, girl, I'm ready
(It's yours, are you ready)
To take responsibility
(Oh, my baby)
Say you're havin' my baby

But I don't know if it's mine
(I don't know, I don't know if
it's mine)
(I'm so confused, I don't know what to
do)
It all started from a one night stand
(One night stand)

It wasn't part of the plan
(No, no, no, no, no, no, no)
But now I see you got an attitude
And you're so confused
(And yore so confused)

You didn't tell me 'bout your man at
home
(Tell me about your man at home)
So what you gonna do
(I don't know, I don't know, baby)

Say you're havin' my baby
But I don't know if it's mine
It all started from a one night stand
It wasn't part of the plan
