It's been a minute since I saw you boy
Must admit it's good to hear ya voice
And I guess that I forgot just how you make me feel
when you're around
See you haven't lost your sense of style
And you still could melt me with your smile
Can't deny that I still got feelin' deep inside

(Hook)
(Oh) it's funny how things could change
But still remain the same
(Oh) isn't love just a crazy game
Baby here I go again

(Chorus)
I look into your eyes and then
My heart remembers when
And I realize I've never gotten over you
Ev'rytime I hear your name
It's like the sun shined thru the rain
And I realize it's happening
Baby here I go again

Here I go again

Still remember how you make me weak
How I fought to find the words to speak
I just can't escape the memories
I tried but I just can't break free
Thought I closed the door on what we had
But these feelings just keep coming back
Didn't think that you could make me lose control like
that

(Hook)

(J*Status)
Sweet lovin' is ma ting
So you know mi got fi swing
That's why yuh request it again
Without a doubt yuh want to spend
And to experience it again

Because yuh love the way yuh felt back then
So make me light it up again
Re-ignite the feeling again
'Cause yuh rememba' them days when we used ta' chill
Up on the hill with the sun hot like a Maja Igrill
Gurl yuh Bajan beauty it's aimed to di chill
Not to mention the way yuh make it will'

(Chorus)
