Tell me whos gonna pick up the pieces of my hearttt...  
Cause I'm still hurt and I don't wanna start  
Tell me whos gonna pick up the pieces of my hearttt...  
My soul is dying and my everything is gone

Just like I'm broken it's hard  
You leave me the back of the room of?  
The beat keeps of shone from my heart  
But slowly the song keeps on falling apart  
You show me the time of my life  
You tell me I'm wrong when I'm right  
And girl I'm still longing for the feeling  
And I wish you was here by my side

The very love of my life  
Shes gone awayyy  
Holding my pillow at night  
Girl I visual you were here  
Who doesnt say big man don't cry  
But me I'm gonna shed a tearrr  
It hurts so bad it's hard for me to breathe?

Tell me whos gonna pick up the pieces of my hearttt...  
Cause I'm still hurt and I don't wanna start  
Tell me whos gonna pick up the pieces of my hearttt...  
My soul is dying and my everything is gone

Another long day passes by  
And I thinking about you girl  
Open the door expecting to see yaa  
I don't hear a word?  
I need you like flowers that need the sun  
At school he may now because he were the one  
Life keeps on taking away  
No messes along so baby come on home?

Tell me whos gonna pick up the pieces of my hearttt...  
Cause I'm still hurt and I don't wanna start  
Tell me whos gonna pick up the pieces of my hearttt...  
My soul is dying and my everything is gone

Yo  
Tell me whos gonna pick up the pieces back up of the  
ground  
Who is gonna fix the puzzle get me back up in the zone  
I hear you spinning all around  
Can't you tell that I'm allowed  
By myself well you end? get you down  
Kicking back up in the studio  
I'm trying get through with it  
No matter who me try write me really can't deal with it  
No wonder why pain say love got to do with it  
Got so much love  
Baby girl why I give you it

I remember  
Those days on the beach at when we were  
So close like this so  
How could I ever know we see this day  
Never ever thought we be so far away  
From each other that was never the plan and I don't  
want no other  
Your the only one who could ever make me feel so  
good  
It feels so wrong and you know I would  
Forgive you  
How does it feel to cry  
When you tell me no  
I do it all the time  
Oh you oh you oh you  
When you tell me no

Tell me whos gonna pick up the pieces of my hearttt...  
Cause I'm still hurt and I don't wanna start  
Tell me whos gonna pick up the pieces of my hearttt...  
My soul is dying and my everything is gone
