Verse One:

Pain in my heart, tears from my eyes  
So many heartaches, cause me to cry  
I get so lost, in the words of everyone  
So I stand up, a new life has begun  
I left my heart open, to be hurt by all  
It was all of my faults, that led me to this fall  
I need a new voice, to tell me what to do  
God was never any help, don't know who to turn to

Chorus:

Evil spirits, please help me make it right  
All good love did, was start non-ending fights  
How can I put an end, to all those problems

It is now your turn, to help me solve them

Verse Two:

I try to stand, but I fall to my feet  
I never know what to do, I need to follow someone's  
lead  
Every word I say, seems to be taken wrong  
When I try to stand, it takes me too long  
Where should I go, what should I say  
To make my life in hell, finally go away  
I never know, if I will be able to stand  
And if I fall, where will I land?

Chorus X 2
