Verse One:

Whenever I am lost, I go to you
You are the basis of all I do
You died for me, got nailed to a cross
Then I found you, my love had been lost
Oh Yahweh, I follow your path
Wash away, all of Satan's wrath
I turn to you, give you all of my life
Hand over the good, the bad, and the strife

Chorus:

Yahweh, I sing Halleluia
Yahweh, I sing Amen
Yahweh, I give everything to Ya!
Yahweh, I always sing Amen

Bridge:

I pray to you, using my talents
Talk to you, make you proud of them
I pray to you, using my talents
Talk to you, make you proud of them

CHORUS X 2
