It's not the way you think that turns me on
Last thing I wanna do is listen to ya talk
Well I don't wanna know what you're about
I just want your dirty little mind and your dirty little
mouth
I'm not the kind of boy to kiss and tell
But the things I'd like to do with you
I really do well
So call me just another pretty face
Who's been a bad, bad boy
So put me in my place

Coz I just wanna be
I just wanna be amused
Well I just wanna be
I just wanna be abused

So call me by somebody else's name
Tell me that I oughtta be gotta be ashamed
The humiliation really gets me off
And I don't care if you cum
Just as long as you're on top

Coz I just wanna be
I just wanna be amused
Well I just wanna be
I just wanna be abused
Coz I just wanna be
I just got be used
Well I just wanna be
I just wanna be abused

You can fuck with my head
Leave marks on my neck
Just as long as I'm tied to your bed
Run your nails down my back
Be sure to leave tracks
To match my emotional scabs

Coz I just wanna be
I just wanna be amused

Well I just wanna be
I just wanna be abused
Said I just wana be
I just gotta be amused
Well I just wanna be
I just wanna be abused

(I) Feel like gettin used, ya (x3)
