1, 2, 3, 4, 5, 6, 7, 8, 9, it's the J-Zone Commandments  
I J-Zone AKA Captain Backslap on behalf of Old Man  
Entertainment  
Got to foreshadow y'all to what's goin' on '  
'Cause we got rules and commandments for y'all  
To follow before you roll with us on this album  
So pay attention, okay?

Audience shut the fuck up, don't make a sound  
Like Eddie Murphy I got rules and shit when I throw  
down  
All I need is about two minutes to run down the  
Commandments  
Before we get it poppin', so we gotta understand it

Thou shalt not cock block at shows  
Give me a pound and step if I'm creepin' with hoes  
And thou shalt not ask Zone his race  
What's the matter when your broad gave Zone a taste,  
mwah

Thou shalt not call my house  
When there's a basketball game on TV  
You don't know, check the TV Guide  
'Cause if you make me miss Kobe drop 50, you gon'  
see me

And thou shalt not ask Zone to perform  
If there's less than three zeroes in the show fee  
And thou shalt not e-mail the Zone  
Saying put me on, faggot, you don't know me

Ladies, thou shalt not react  
When I use the word bitch 'cause if you not, relax  
The more you get upset, the more that must mean the  
shoe fits  
So if you got mad then, yeah, I was talking 'bout you,  
bitch

Thou shalt not bring food in my car  
And when you ride, thou shalt not ride for free  
So up the money on the mobile or hitch a ride

'Cause bitch, riding dolo is just fine with me

Fat girls, thou shalt not wear midriffs  
And while you at it, kill the thong thoughts, chicken and  
biscuits  
Thou shalt vanish if you got too many kids move in?  
Is you crazy, bitch, I look like Mike Brady?

Thou shalt floss and stunt  
Even if you drive a hooptie, sport the junk  
And when you rollin' up the strip and a sucker run his  
lip  
Slam the clutch, put it in five and off the chump

And thou shalt use caution getting head while driving  
Chicks that want you to trick, thou shalt nickel and dime  
them  
Thou shalt be cheap so you can ball like me  
Thou can't be both pussy whooped and rich

Thou shalt not act hard on the Internet  
Living in South Dakota where nobody can get you at  
And thou shalt buy this album at the store and shit  
'Cause all y'all listening know damn well y'all  
downloaded this
