When you left me all alone
You left me crying on my own

Tell me, tell me
What you gonna do
Tell me, pretty baby
Cause I'm still in love with you

Come back (baby)
Come back, won't you
Come back to me
Come back (baby)
Come back, won't you
Come back to me

Here I am, standing such a fool
It's not like you, babe
Oh, don't be cruel

Help me, help me
Cause you know
I'm not that strong
Help me, help me, darling
I've been lonely for too long

Come back (baby)
Come back, won't you
Come back to me
Come back (baby)
Come back, won't you
Come back to me

Tell me, tell me
What you gonna do
Tell me, pretty baby
Cause I'm still in love with you

Come back (baby)
Come back, won't you
Come back to me
Come back (baby)
Come back, won't you

Come back to me

Come back (baby)

Come back, please

Come back to me, darling

Come back (baby)

Come back, won't you

Come back to me
