CRUISIN' FOR A LOVE

Back in the city cruisin' for love again  
Back out on Main Street cruisin' for love again  
With my mind made up baby  
Gonna find myself a friend

Oh Baby, I don't know what to do  
Baby Baby Baby I don't know what to do  
Aint no mathematician  
But I'd sure like to count on you

[SOLOS]

Cruisin' for love, there'll be no end in sight  
Cruisin' for love, there'll be no end in sight  
With my mind made up baby  
Gonna find, gonna find, gonna find me some lovin'  
tonight
