Girl you got me out my mind
Don't even know what time of day it is
Gotta press rewind shawty
Only thing I remember is kissing you from your head to
your toe
Baby bed down to the floor shawty
But I didn't forget how you dropped that down
I didn't forget how you took it round and round
I didn't forget making love to you girl
But I forget about the world

When I'm freaking you
Laying on ya
I can hear your heart
I can't picture us apart baby
When I'm freaking you
Baby got me locked in a place
Can you see the love in my face baby
When I'm freaking you
Everytime she make a sound
That body gotta hold me
Don't let go of me
See nothing else matters
When we're doing what we do
Doing what we do
When I'm freaking you
Freaking you
Baby

Now I'm patiently waiting
Anticipating about it later on
Soon as you get home take it off shawty
Keep your heels on
Toes up to the chandelier while I enter your
stratosphere
Get over here shawty
Hold me like it's the best day on earth
I just wanna give
Ooh what you deserve
Cause you always take me to an unprecedented level
relentless

Got me tripping

When I'm freaking you

Laying on ya

I can hear your heart

I can't picture us apart baby

When I'm freaking you

Baby got me locked in a place

Can you see the love in my face baby

When I'm freaking you
