Houseparty

by the J. Geils Band

They're dancin' on the ceilin'

they're dancing' on the floor

People everywhere comin' through the door

They know there's a party goin' on

Do the dancin' romance all night long

I know it's cold outside

C'mon baby, I'll keep you satisfied

All you gotta do is move

Every time you feel that groove

Ain't nothing' but a party

Ain't nothing' but a party

Ain't nothing' but a party

Ain't nothing' but a houseparty

C'mon baby, dig that crazy soul

I know you're gonna lost control

You can do boogaloo

Anything that you want to

I know it's cold outside

C'mon baby, I'll keep you satisfied

All you gotta do is move

Every time you feel that groove

Ain't nothing' but a party

Ain't nothing' but a party

Ain't nothing' but a party

Ain't nothing' but a houseparty

I know it's cold outside

C'mon baby, I'll keep you satisfied

All you gotta do is move

Every time you feel that groove

Ain't nothing' but a party

Ain't nothing' but a party

Ain't nothing' but a party

Ain't nothing' but a houseparty

I said move it, groove it

Baby, don't you lose it

I said roll it, stroll it

Baby, don't control it

It ain't nothin' but a party

Ain't nothin' but a party

Ain't nothin' but a party
Ain't nothin' but a houseparty
Yeah, tell me 'bout the party
I got to know about the party
Yeeeeeeeeeeeeeeeeeeeeaaaaaaaaaaaaa
Tell me 'bout the party
