Your daddy's tellin' you I just ain't no good  
And everything I try to do is just misunderstood  
But I don't care if your daddy says it's wrong  
I just can't stand to be away from you too long

I just can't wait  
I just can't wait  
I just can't wait  
I just can't wait

The clock up on my wall, it must be runnin' slow  
Tonight when you're here next to me, I'll never let you  
go  
I wish the day would hurry up and set us free  
Because tonight with you is where I want to be

I just can't wait  
I just can't wait  
I just can't wait  
I just can't wait

Ooh, girl, holdin' me so tight  
Ooh, girl, I can't wait 'til tonight

But I don't care if your daddy says it's wrong  
I just cant stand to be away from you too long

I just can't wait  
I just can't wait  
I just can't wait  
I just can't wait

I just can't wait  
I just can't wait  
I just can't wait  
I just can't wait

I just can't wait  
No, no, my baby  
I just can't wait  
No, no, no

I just can't wait  
No, no, my baby  
I just can't wait  
No, no, no
