Never thought about tomorrow
Seemed like a long time to come
How could I be so blind, baby?
Not to see you were the one

I let you slip on from me, honey
I let you walk on by
I refused the love you had for me
I refused the love and let it die

I must of got lost, I must of got lost
I must of got lost somewhere down the line
I must of got lost, I must of got lost
Give away the days you're mine

Love can be a sweet thing
I just don't understand
I made a game of lovin' you
And now I hold the losing hand

So I must of got lost, I must of got lost
I must of got lost somewhere down the line
I must of got lost, I must of got lost
Give away the day that you were mine

I just can't understand it
I just can't understand it
I just don't understand it

And I must of got lost, I must of got lost
I must of got lost somewhere down the line
I must of got lost, I must of got lost
To give away the day you were mine

I must of got lost, I must of got lost
I must of got lost somewhere down the line
I must of got lost, I must of got lost
Give away the day, you were mine, oh yeah

Well, I must of got lost, I must of got lost
I must of got lost somewhere down the line
