Body like a motherfucker(damn baby you)
Ridin like a fed trucker(Hold up what u say)
[Girl:I be pleasin you, you be pleasin me. promise me
you'll stay, and never leave me.]
Hold up let me say something(pretty mama think)
Why am I gon tell you something(that I don't mean)
Cause were in the heat of the moment, giving you the
biz, I came to the house and told you don't be catching
feelings

{Chorus}

I can tell you aint never had a nigga dis sho put it on ya
Askin why I don't stay the night and hold ya
I can tell you aint never had really never had it had it
I can tell you aint never had a young nigga take da cat
from ya
I say I can't stay got something else to tend to
I can tell you aint never had really had it had it

Now why you gotta make this situation
You met the kid and decided you wanted to dig in when
I said you agreed that it wouldn't be no static
Yes I promise to heat it up
Take it down south girl and eat it up
(Never agreed to have chains on me)
When it's time to leave

{Chorus}

I can tell you aint never had a nigga dis sho put it on ya
Askin why I don't stay the night and hold ya
I can tell you aint never had really never had it had it
I can tell you aint never had a young nigga take da cat
from ya
I say I can't stay got something else to tend to
I can tell you aint never had really had it had it

{Bridge}

(Damn) I can't lie(I know)
You got skills and(I feel)
You want us to be close but I'm just not ready to let go
When I'm free to lay my head where I feel like(girl I told

you once before so just understand)
Can you understand

{Chorus}

I can tell you aint never had a nigga dis sho put it on ya
Askin why I don't stay the night and hold ya
I can tell you aint never had really never had it had it
I can tell you aint never had a young nigga take da cat
from ya
I say I can't stay got something else to tend to
I can tell you aint never had really had it had it
