"So Good"

I was wild
I was always on the run
I kept my spirits high
And ready for some fun
Then I saw you
I couldn't believe my eyes
You grabbed me by the heart
And left me mystified
I had a feeling
That first time we met
There's something about you
Gonna be hard to forget

--Chorus--

The proof is in the pudding
I can taste it all the time
You been spiced so good
I'm sure glad you're mine
I'm not ashamed
To let everybody know
I never never never felt this good before

Since that day
You're always on my mind
I want to be with you girl
All of the time

--Chorus--
