The sooner you give, the sooner you get to have
A love of your own
The longer it takes, the better you come to know
A love of your own

Don't you be afraid to give your heart
Never know till you try it, don't deny it to yourself
Don't you be afraid, walk right on in
The door is standin' open, know I'm always hopin',
hopin'

The sooner you give, the sooner you get to have
A love of your own
As far as you go, you're never too far behind
A love of your own

Don't you be afraid to shoot the moon
You'll never know till you try it, don't deny it to yourself
Don't you be afraid to change your tune
The offer's always open, you know I'm always hopin'
You know I'm always hopin' for

A love of my own
To shelter me from the cold
A love of my own
A love of my own
The traffic will always be
A love of my own, yes [Incomprehensible]

A love of my own
You're never too far behind
A love of your own
You never go
Try, try

A love of my own
To shelter me from the cold
A love of my own
That's why I'm [Incomprehensible]

A love of my own
Traffic will always be

A love of my own

A love of my own

You're never too far behind

A love of your own

You've got to keep looking till you find

A love of your own

A love of your own

A love of your own

Never know till you try it

A love of my own

A love of your own

Love of your own

[Incomprehensible]
