[J. Holiday: speaking]

Aye, Aye, Aye, Aye, Aye, Aye, Aye (repeat 8x times)

Come to the bed, bed, bed

Come to the bed, bed, bed

Aye, Aye, Aye, Aye

[Verse 1:]

Girl, change into that Victoria Secret thing that I like

Alright

Ok, tonight you havin' me your way

Perfume, spray it there

Put our love in the air

Now put me right next to you

Fitting to raise the temp in the room

First rub my back like you do

Right there, uh-uh, right there

You touch me like you care

Now Stop

And let me repay you for the week that you've been  
thru

Working that 9-5 and staying cute, like you do

Oh, oh, oh

[Pre-Chorus:]

I love it (I love it)

You love it (You love it)

Everytime (Everytime)

We touchin (We touchin)

I want it (I want it)

You want it (You want it)

I'll see you (see you)

In the morning (In the morning)

[Chorus:]

Wanna put my fingers thru your hair

Wrap me up in your legs

And love you till your eyes roll back

I'm tryin to put you to bed, bed, bed

I'ma put you to bed, bed, bed

Then I'ma rock your body

Turn you over

Love is war

I'm your soldier  
Touching you like it's our first time  
I'ma put you to bed, bed, bed  
I'ma put you to bed, bed, bed

[Verse 2:]

I'm staring at you while your sleep  
Irreplaceable beauty  
Put my face up in your neck and breathe (aww, breathe)  
Take you into my senses  
Wake up, it's time to finish  
Round two, It's round two  
Matter of fact it's closer to three  
She like, "how long I been sleep?"  
Shorty, kisses turn into the sweetest dreams  
Like give it to me  
And I can feel her turn weak  
My angel this is wonderful  
Thanks, for letting me bless ya  
Come down, fly, right, drift back into heaven  
Oh, Oh, Oh, Oh

[Pre-Chorus:]

I love it (I love it)  
You love it (You love it)  
Everytime (Everytime)  
We touchin (We touchin)  
I want it (I want it)  
You want it (You want it)  
I'll see you (see you)  
In the morning (In the morning)

[Chorus:]

Wanna put my fingers thru your hair  
Wrap me up in your legs  
And love you till your eyes roll back  
I'm tryin to put you to bed, bed, bed  
I'ma put you to bed, bed, bed  
Then I'ma rock your body  
Turn you over  
Love is war  
I'm your soldier  
Touching you like it's our first time  
I'ma put you to bed, bed, bed  
I'ma put you to bed, bed, bed

[Bridge:]

Watch the sunlight peak over the horizons  
Ooo-Ooo, Ooo-Ooo, Ooo-Ooo, Ooo-Ooo  
The sun ain't the only thing that's shining  
Ooo-Ooo, Ooo-Ooo, Ooo-Ooo, Ooo-Ooo

Now, I'ma send you out into the world with my love  
Tell everybody aye  
Everybody aye, aye, aye [x10]

[Chorus:]

Wanna put my fingers thru your hair  
Wrap me up in your legs  
And love you till your eyes roll back  
I'm tryin to put you to bed, bed, bed  
I'ma put you to bed, bed, bed  
Then I'ma rock your body  
Turn you over  
Love is war  
I'm your soldier  
Touching you like it's our first time  
I'ma put you to bed, bed, bed  
I'ma put you to bed, bed, bed

Watch the sunlight peak over the horizons  
Ooo-Ooo, Ooo-Ooo, Ooo-Ooo, Ooo-Ooo  
The sun ain't the only thing that's shining  
Ooo-Ooo, Ooo-Ooo, Ooo-Ooo, Ooo-Ooo

Now ima send you out into the world with my love  
Tell everybody aye  
Everybody aye, aye, aye [x10]
