Blow out the candles
I'ma be the cake
You can get it girl
Cos today's your birthday
Get it like your birthday (x4)
And i'ma sing happy birthday to you
You can have it baby
We gon' do what you want to
Get it like your birthday (x4)

Shawty been talking
Dropping hints all day
Telling me all about the games she wanna play
Soon as I get home
She's got me rushing home
A few more minutes and it's 'bout to be on
Where the camera at
I wanna take a picture
Cos this gon be your night
I want her to remember
We gon' get it poppin'
Like the 4th of July
There's gon' be explosives baby
We gon' light up the night

Blow out the candles
I'ma be the cake
You can get it girl
Cos today's your birthday
Get it like your birthday (x4)
And i'ma sing happy birthday to you
You can have it baby
We gon' do what you want to

Get it like your birthday (x4)

She turned the lights down
Told me to make a wish
I started speaking but
She stopped me with a kiss
Cos she wants it now
I'm talking right now

She's got me spinning like a merry go round
You lookin' so good in your sexy lingerie
I wanna lick you like the icing on the cake
We gon' get it poppin'
Like the 4th of July
There's gon' be explosives baby
We gon' light up the night

Blow out the candles
I'ma be the cake
You can get it girl
Cos today's your birthday
Get it like your birthday (x4)
And i'ma sing happy birthday to you
You can have it baby
We gon' do what you want to
Get it like your birthday (x4)

This is a present
But you're the greatest gift
Close your eyes girl
